

Dear guests
You are welcome in our guest house and in
Grandma's big family

Grandma welcomes you, like she welcomes her own grandchildren, with love, clean rooms and happiness.

And because her grandchildren respect each other, Grandma asks you to respect the other guests in the house

And so it would be great if you:

- try grandma's great recipes, instead of your own food and beverages

- won't disturb the other guests, by playing loud music, after 11pm

- would ask for Grandma's permission before you bring your pet

Grandma had learned the value of a good music from her nephews and so she prepared a collection of disks just for you.

She doesn't have loud music because she doesn't really like it

If you respect her wishes, Grandma will treat you, every Friday with her tasty cream pie, on the house!

*We thank you and wish you
a pleasant stay at:*
